Hi

All you have to do is look and go down to Waterford greenway and see what a great project it has become. It is fantastic for the County don't be left behind.

A greenway on the closed railway from Athenry to Collooney will not only protect this publically owned route in perpetuity it will help fulfil National Policy objective number 6 and in particular national policy objective 23 as detailed in National Planning Framework draft policy document. I am asking that the Western Rail Trail becomes a named and specified project as part of the Finalised National Planning Framework policy document.

Regards

Regina
