To whom it may concern,

I understand that you are accepting submissions regarding the draft National Planning Framework policy document called Ireland 2040 Our Plan.

I live in Tuam and fervently support the greenway on the old railway line.

A greenway on the closed railway from Athenry to Collooney will not only protect this publicly owned route in perpetuity it will help fulfill National Policy objective number 6 and in particular national policy objective 23 as detailed in National Planning Framework draft policy document. I am asking that the Western Rail Trail becomes a named and specified project as part of the final National Planning Framework policy document.

Regards,
