To: National Planning Framework
Subject: Drogheda,s omission from national 20 year plan

To whom it may concern,

Census me hole! What is the point in the denizens of Drogheda participating in this farce if the people tasked with extrapolating the information therein cannot see that the population of Drogheda makes it a prime candidate for future investment such as envisaged in the NPF. Don,t give me this old tosh that Drogheda can be included in the future.Include it now and legitimise the findings of the census.

Yours sincerely,
Seamus Carolan
