New apartment blocks should have a café and allotments included in the building plans. This allows the community to meet up and get to know their neighbours as well as health wellbeing.

Garden Club News

This is a busy time of year for the garden. Not only are we starting to grow lovely plants and vegetables, but the weeds are doing their best to smother us. We're managing to keep them at the door but only just! If there are any grandparents, aunts or uncles of garden club children who could come along on Wednesday afternoons to help us out - you would be most welcome. (and we'll give you soup too.)

The two new goats , Heidi and Bambi, have settled in well and have even appeared at Stillorgan Shopping Centre to advertise the May Fair. They are very friendly and are also helping to weed the 'wild' hedgerow.

We have another clutch of eggs due to hatch in two weeks, these are 'Brahma' hens otherwise known as Dinosaur hens because of their size, the eggs should be huge too!!

Visitors to the garden outside school hours are always welcome, we have plants and eggs for sale just inside the gate. The 'Honesty' box is on the table if no-one is home!
